

## Printable Django in June 2010 Weekend Registration Form

This form should include just about everything you might want as a weekend participant at Django in June this year. Just pick what you'd like, add up the items and pop a check in the mail to me early enough that you can be sure it will have arrived by June 1st. (After that, please register online or at the event.) Even if you are registering by mail, it will be helpful if you also send me an email letting me know what you're planning. Make sure you include the second page of this form with all your contact info, etc.

Make your check out to: **Andrew Lawrence**. Mail to: **PO Box 507, Williamsburg, MA 01096**

Thanks...see you soon for some great music!

*\* Facility Fee: This does not apply to anyone attending a clinic or staying in the dorms during their visit with us. If, however, you are neither going to stay in the dorm nor attend any clinics, but you want to hang and jam, this fee helps cover the many expenses incurred just by being here for you. If you pay this now and later decide to attend a clinic or stay in the dorm, the fee will be applied to that expense. You can pay either \$40 for the whole weekend or \$20 for whatever small piece of the action you choose. Enjoy, and thanks for helping out.*
